## Flexible paper handling

The HL-2100 Series can handle letter and legal size paper and a variety of media types. For fewer paper refills, the printers feature an enclosed universal paper tray that can hold up to 250 sheets. A manual by-pass slot is available for printing envelopes, letterhead and card stock.

## Affordable to own and operate

The HL-2100 Series printers are not only affordable to purchase, but they also offer an economical cost-per-page. To keep your running costs even lower, a high-yield replacement toner cartridge is available<sup>1</sup>.

## Toner-Save mode

For printing non-critical documents, the HL-2100 Series printers offer a Toner-Save mode. This feature can save you money by reducing toner use and extending the life of your toner cartridge.

## Advanced features

The HL-2100 Series printers offer many advanced features for additional functionality<sup>5</sup>.

Some of these advanced features include:

- Watermark Printing
- Poster Printing
- N-Up Printing – printing multiple pages on one sheet of paper
- Manual Duplex – driver-assisted, two-sided printing

## Compatibility

The HL-2100 Series printers offer excellent compatibility with support for both Windows<sup>®</sup> and Mac<sup>®</sup>. Both printers arrive with a complete set of drivers for both platforms (see product specifications chart).

In addition, the HL-2170w offers support for PCL<sup>®</sup>6 emulation for compatibility with leading office applications.

## Easy-to-use and maintain

The HL-2100 Series printers are simple to set up and operate. Our innovative driver installation quickly guides users through the process. USB users can install their driver in just five clicks!

With the HL-2170w, connecting wirelessly has never been easier. For users with wireless access points that support SecureEasySetup<sup>™</sup>, Wi-Fi Protected Setup<sup>™</sup> or AOSS<sup>™</sup>, you can automatically configure your wireless settings by simply pressing a button on your router.

Easy-to-follow animated tutorials provide step-by-step help to answer common maintenance and support questions.

## Service and support are part of the package

Your technology investment is backed by our dedication to comprehensive service and support.

We provide toll-free technical support, a one-year limited warranty, and a nationwide network of authorized customer-care centers. In addition, our Brother Solution Center website is an online resource for downloading the latest drivers and manuals, reviewing FAQs, and obtaining the most up-to-date information on your printer.
