B6200 Series Digital Mono Printers

OKI®
PRINTING SOLUTIONS

The mono printer that keeps business moving

High-productivity black & white printing solutions for workgroups and point-of-service applications

Affordable, expandable digital mono printers, delivering superior paper-handling capabilities and cost-effective productivity.
If getting the job done in short order and on a tight budget describes the way you work, the high-speed B6200/B6200n Series Digital Mono printers from OKI Printing Solutions are perfect for you. These reliable, expandable machines can help increase your productivity and efficiency—and keep your business moving.

Designed for demanding and cost-conscious business environments, the B6200/B6200n have a duty cycle rated at 75,000 pages per month—or 3,750 pages of correspondence, proposals, reports, memos, schedules, invoices and receipts per work day![1]

Keeping up with your needs. The B6200/B6200n Series fits the way you work today—and can adapt to match your future printing needs through performance-enhancing options and upgrades.

The optional 20 GB hard disk drive supports productivity features such as Secure Print, Proof & Print and Delayed Print. With the optional duplex unit, you can increase your efficiency by printing on both sides of a sheet.

Fitting into your environment. The B6200/B6200n Series is compatible with Windows® XP, Server 2003, 2000, Me, 98, Windows NT®, Mac®, Unix® and Linux. The B6200n can be linked to your network via on-board 10/100 Base-TX Ethernet (an option on the B6200).

Users will spend less time waiting for their documents with these printers: they deliver professional-quality true 1200 x 1200 dpi output at a rapid 25 ppm.[2] Both printers ship with a generous 128 MB of RAM, which is upgradable to 640 MB to handle extremely large files.

With a standard paper capacity of 400 sheets (expandable to 1,500 sheets with options), user interventions decrease while user productivity increases.

Of course, if you need technical assistance, you can speak to a live expert—24x7x365—by calling 800.OKI.DATA (800.654.3282).[3]

Stand-alone or network-ready, the B6200/B6200n Series from OKI Printing Solutions can meet any of your printing requirements—for speed, quality and versatility.
