

# DAHLE MHP Technology® document shredders 50314

- User-friendly document shredder for departmental use
- Innovative MHP® (Matrix High Performance) cutters: high-quality compound steel cutters that are guaranteed to last
- Patented manufacturing process preserves resources by considerable saving of raw materials compared to a conventional production of cutting cylinders
- „Oilfree“ for user- and environmentally friendly shredding without the need for time-consuming lubrication
- Systematic use of perfectly matched components ensures optimum functionality and shredding performance
- Clearly designed, user-friendly control panel
- Integrated light barrier for automatic start and stop
- Convenient automatic reversing function clears feed opening after feeding in too much paper
- Convenient feed and reverse function for manual control
- Motor cuts out automatically when waste bag is full or door is open
- Energy-saving sleep mode after 10 minutes at idle and automatic shut-down after 30 minutes
- Powerful motor for high capacity and longer running times
- Extremely quiet operation for a particularly pleasant working atmosphere
- Separate CD feed opening and waste box for reliable, environmentally friendly shredding
- High-quality wooden cabinet in modern design fits into any office
- Widely opening doors for ease of emptying the waste bag
- Convenient swivel casters with brake for reliably keeping the document shredder firmly in place
- Separate main switch for completely shutting down the document shredder
- Practical IEC power connector can be unplugged from the document shredder
- Includes 10 strong waste bags suitable for re-use (Item no. 20707)
- Dimensions (H x W x D): 865 x 545 x 435 mm

Departmental document shredders: professional performance across the team.

Entry width 260 mm

Waste collection volume 60 litres

Wattage 650 watts

Cross cut

Convenient swivel casters with brake for reliably keeping the document shredder firmly in place

Carries the GS Intertek test mark

DAHLE MHP Technology® document shredders

Comfortable and environmentally friendly shredding - no time-consuming lubrication of the cutting cylinders required

Energy-saving sleep mode after 10 minutes at idle and automatic shut-down after 30 minutes

Extremely quiet operation for a particularly pleasant working atmosphere

35-year warranty on the cutters

# DAHLE MHP Technology® document shredders 50314

Shredding the convenient way, all without the time-consuming process of oiling the cutters

Innovative MHP technology® shreds up to 30 % more paper

Practical swivel casters for flexible use

Separate main switch is located on the rear of the document shredder and completely disconnects it from the mains power supply

Detachable IEC power plug makes the document shredder quick and easy to move from A to B

Separate, integrated waste boxes help to sort shredded paper, CDs, DVDs, cheque and credit cards for eco-friendly recycling

Separate feed opening for CDs, DVDs, cheque and credit cards guarantees reliable shredding of optical, magnetic and/or electronic data carriers

P-4 security: recommended, for example, for data media containing particularly sensitive, confidential and personal data
